**PETITION UNDER 37 C.F.R. 1.181 TO WITHDRAW HOLDING OF ABANDONMENT  
IN ACCORDANCE WITH MPEP §711.03(C) AND 1156 O.G. 53**

Sir:

As set forth in MPEP § 711.03(c) and 1156 O.G. 53, Applicant hereby petitions to have the holding of abandonment of the above-identified application withdrawn. The application went abandoned because Applicant's undersigned representatives never received the Final Office Action that was mailed on January 16, 2007. The following materials are submitted in support of Applicant's petition:

1. a copy of the undersigned firm's docket report (with client names, client/matter numbers and application titles redacted) showing all final (i.e., end of 6-month term) due dates docketed for a one-week period that includes the date the response would have been due (July 16, 2007); and
2. a screen shot from the USPTO PAIR web site taken on August 11, 2007, showing the Image File Wrapper for the present application as of that date.

Our standard procedure when any communication from the Patent Office requiring a reply is received is to docket the due date for the reply that is indicated in the communication; the docket entry is made in the docket for the individual attorney who is responsible for the particular application. A docket entry is made both for any shortened statutory period that applies, as well as for the 6-month statutory period. Hence, if the Final Office Action had been received by us, the response due date of July 16, 2007 (6 months from the mailing of the Office Action) would have been entered in the firm's docket and thus would have appeared on the enclosed docket report showing all final (6-month) due dates for the week that included July 16, 2007. As the docket report shows, the Final Office Action in the above-identified application

was not docketed, indicating that it was not received by us. The undersigned has also searched the file jacket for the above-identified application, and the search indicated that the Final Office Action was never received by us.

Additionally, the enclosed screenshot of the Image File Wrapper from PAIR indicates that the Final Office Action mailed on January 16, 2007 was returned to the USPTO "undelivered". It is unknown why the USPTO did not attempt to mail the Office Action again, or otherwise attempt to notify the undersigned that the Office Action had been returned undelivered. In any event, the fact that the Office Action was returned to the USPTO undelivered is further evidence that the Office Action was never received by the undersigned's firm.

In view of the foregoing remarks and the enclosed evidence indicating that the Final Office Action was not received, Applicant respectfully requests that the instant petition be granted and that the holding of abandonment of the application be withdrawn. Applicant requests issuance of a new Office Action and re-setting of the period for response thereto.

It is believed that the present petition is treated as a petition under 37 C.F.R. 1.181, and that no fee is applicable. However, if any fee is due, please charge the fee to our deposit account No. 16-0605.

Respectfully submitted,
